

Therapeutic drug monitoring (TDM) with RIDASCREEN® & RIDA®QUICK

Therapeutic drug monitoring of TNFalpha blockers such as infliximab or adalimumab and of the $\alpha 4\beta 7$ integrin-antagonist vedolizumab helps to optimize the treatment of patients and to improve therapy outcomes.

Key features of R-Biopharm's TDM portfolio:

- All TDM assays of R-Biopharm AG are validated by KU Leuven, Belgium
- ELISA assays and rapid assays correspond due to identical monoclonal antibodies
- The assays have ready to use reagents
- ELISA assays are validated on automated ELISA readers such as DSX® and have breakable microwell plates
- RIDASCREEN® IFX Monitoring and RIDA®QUICK IFX Monitoring quantify infliximab and its biosimilars
- RIDA®QUICK IFX Monitoring is a rapid point-of-care assay, which allows the quantitative determination of infliximab trough levels within 20 minutes

RIDASCREEN® IFX Monitoring, Art. No. G09041

RIDA®QUICK IFX Monitoring, Art. No. GN3041

Products for therapeutic drug monitoring (TDM)

Infliximab lateral flow assay

Product	Description	Tests	Matrix	Art. No.
Lateral flow test and device				
RIDA®QUICK IFX Monitoring	Immunochromatographic lateral flow assay for the quantitative determination of infliximab (IFX) and its biosimilars	25	Serum/plasma	GN3041
RIDA®QUICK IFX Monitoring Control Set	Positive controls • accessory for GN3041			GP3041
RIDA®QUICK SCAN II - IVD SET	Lateral flow reader (IVD, €€) and 2D barcode scanner • for read out of GN3041			ZRQS2-KD-SET

ELISAs based on assays of KU Leuven, Belgium

Product	Description	Tests	Matrix	Art. No.
Enzyme immunoassay				
RIDASCREEN® IFX Monitoring	Enzyme immunoassay for the quantification of infliximab (IFX) and its biosimilars	96	Serum/plasma	G09041
RIDASCREEN® Anti-IFX Antibodies	Enzyme immunoassay for the quantification of antibodies to infliximab and its biosimilars	96	Serum/plasma	G09042
RIDASCREEN® ADM Monitoring	Enzyme immunoassay for the quantification of adalimumab (ADM)	96	Serum/plasma	G09043
RIDASCREEN® Anti-ADM Antibodies	Enzyme immunoassay for the quantification of antibodies to adalimumab	96	Serum/plasma	G09044
New RIDASCREEN® VDZ Monitoring	Enzyme immunoassay for the quantification of vedolizumab (VDZ)	96	Serum/plasma	G09045

More assays related to IBD and IBS diagnostics

Product	Description	Tests	Matrix	Art. No.
Enzyme immunoassay and lateral flow assay				
RIDASCREEN® Calprotectin	Enzyme immunoassay for the quantification of calprotectin	96	Stool	G09036

For further details and information visit our website www.r-biopharm.com, contact your local distributor or Clinical Sales International.
